

26th-27th April 2017  
NYSA

International Conference on:

**Business Risk**

**in Changing Dynamics**

**of Global Village**

**(BRCDGV-2017)**

*Venue: Regional Centre for Knowledge and Innovative  
Technology Transfer, UAS in Nysa,  
Obrońców Tobruku 5 Str., Nysa, Poland*

**Conference Aim:**

*The aim of this scientific international conference is to provide a platform for professional debate with the participation of experts from around the globe in order to identify & analyse- risks and opportunities in today's global business. The output of this conference will provide a framework for researchers, business elites and decision makers to uplift the business ties and minimise the risk for crating a world as global village. The two-days conference is anticipated to be organised in the heart of Central Europe and Polish historical city of Nysa.*
