FRIDAY 11. MAY

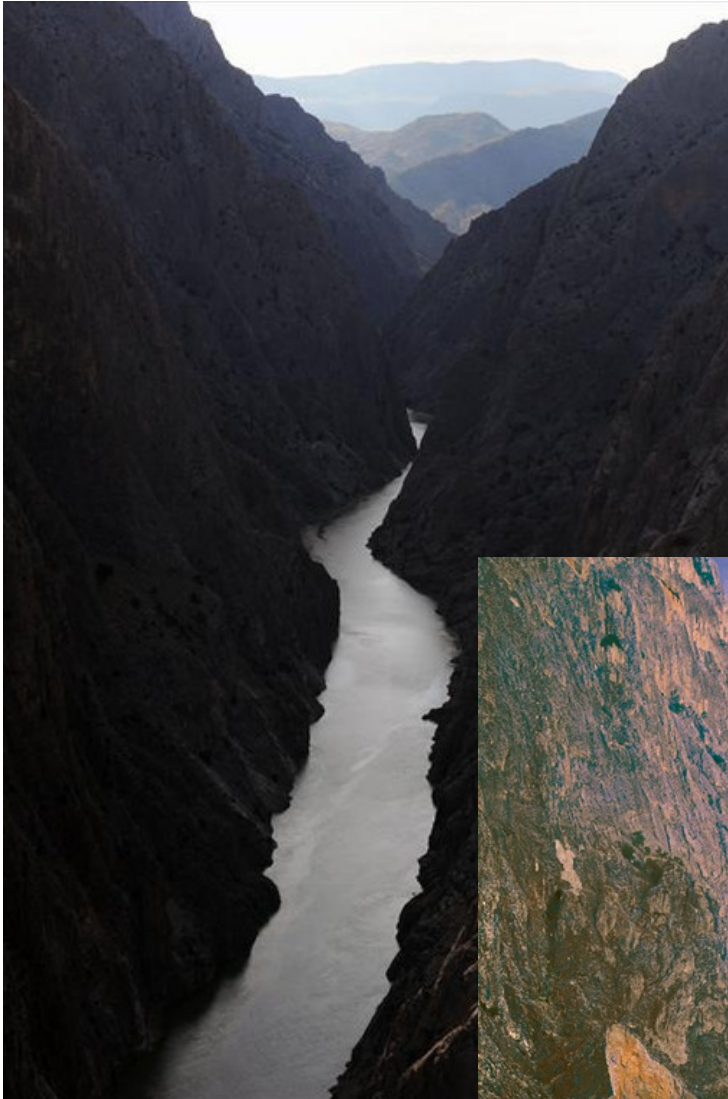

# PROGRAMME

---

## TRIP TO KEMALIYE

### Dark Canyon

*The Kemaliye province of Erzinçan, harboring the Dark Canyon, one of the biggest canyons in the world after Grand Canyon from USA.*

## Kemaliye

*Town known for its historic architecture, including many Ottoman-era houses. It is also notable for its commanding view of the river Karasu (Euphrates).*

# H A R P U T

## *Ancient and Historic City*

*Harput Castle is nearly 2.900 years old.*

*Also there is a myth about this castle. According to that, people use milk to create material for plastering to stick stones because of lack of water.*

# SIVRICE, HAZAR LAKE

---

*A tectonic lake wedged between Hazarbaba and Mastar mountains.  
The most important lake of Eastern and Southeastern Anatolia with unique  
natural beaches , water sport facilities and fishing options..*

# Ç E M İ Ş G E Z E K

---

Old village
